

Salaires minimums par (sous-)commission paritaire

Commission paritaire 2190000: services et organismes de contrôle technique et d'évaluation de la conformité

En vigueur au 01/01/2008 (Dernière actualisation de la page 25/03/2014)

Ce barème minimum s'applique aux employés dont les fonctions relèvent de la classification professionnelle reprise aux articles 2 à 4 de la CCT du 20/01/1978 concernant les conditions de travail et de rémunération (4811).

Mesure de transition : Ce barème des appointements minimums basé sur l'expérience professionnelle et l'ancienneté vaut comme mesure de transition qui reste d'application jusqu'au 30/06/2014. Les employés ayant déjà obtenu en 2007 une augmentation salariale en application de ce barème supprimé, ne peuvent prétendre à une augmentation salariale en application du nouveau barème qu'à partir de 2008. Jusqu'au 31/12/2008 au plus tard, il est conseillé aux entreprises, en guise de transition, de remplacer leurs barèmes salariaux existants basés sur l'âge par un barème salarial basé sur l'ancienneté et l'expérience professionnelle. Et, entre-temps, de convenir d'une réglementation propre à l'entreprise, à appliquer dès le 01/01/2009 au plus tard. Lors de ces négociations internes, une neutralité sociale et budgétaire sera respectée.
